### **PLACING OF UNLISTED WARRANTS**

The Board is pleased to announce that on 21 April 2015 (after trading hours), the Company entered into the Placing Agreement with the Placing Agent, pursuant to which the Company agreed to grant and the Placing Agent agreed to procure not less than six Placées to subscribe for 287,531,980 Warrants, on a fully-underwritten basis, at the Placing Price of HK\$0.01 per Warrant. The Subscription Price is HK\$0.70 per Warrant Share (subject to adjustment pursuant to the Instrument).

As at the date of this announcement, the Company has a total of 2,875,319,860 Shares in issue. Assuming there is no further issue (save for the Bonus Issue) or repurchase of the Shares and there is no adjustment to the Subscription Price, upon the full exercise of the subscription rights attaching to the Warrants, 287,531,980 Warrant Shares will be issued, which represent approximately 10.00% of the existing issued share capital of the Company and approximately 9.09% of the issued share capital as enlarged by the issue of all the Warrant Shares.

The Warrant Shares will be allotted and issued under the General Mandate.

## **USE OF PROCEEDS**

The maximum net proceeds from the Placing (without taking into account the exercise of the subscription rights attaching to the Warrants) will be approximately HK\$2.88 million, which will be used as the general working capital of the Group.

Any additional proceeds from the issue of the Warrant Shares upon the exercise of the subscription rights attaching to the Warrants in the future of up to a maximum amount of approximately HK\$195 million (after deduction of expenses) will be applied as the general working capital and as funds for future business development of the Group.

No listing of the Warrants will be sought on the Stock Exchange or any other stock exchanges, but the Company will apply for the listing of, and permission to deal in, the Warrant Shares on the Stock Exchange.

**Completion of Placing is subject to the fulfillment of the conditions precedent set out in the Placing Agreement. As the Placing may or may not proceed, Shareholders and potential investors are advised to exercise caution when dealing in the Shares.**

## **THE PLACING AGREEMENT**

### **Date**

21 April 2015 (after trading hours)

### **Parties**

- (1) the Company
- (2) Placing Agent

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, the Placing Agent and its ultimate beneficial owners are Independent Third Parties.

### **Securities to be granted**

Subject to the fulfillment of the conditions precedent to the Placing Agreement, the Company has agreed to grant, and the Placing Agent has agreed to procure not less than six Placees (whose ultimate beneficial owners are Independent Third Parties) to subscribe for 287,531,980 Warrants, on a fully-underwritten basis, at the Placing Price of HK\$0.01 per Warrant. It is expected that none of the Placees will become a substantial Shareholder (as defined in the Listing Rules) of the Company immediately after the Completion.

Each of the Warrants carries the right to subscribe for one Warrant Share at the Subscription Price of HK\$0.70 per Warrant Share (subject to adjustment pursuant to the Instrument).

### **Placing Commission**

The Placing Agent will receive a placing commission of 3% of any Subscription Price for the Warrants received by the Company when any holder of the Warrants exercises the subscription rights. Such placing commission was determined after arm's length negotiations between the Company and the Placing Agent. The Directors are of the view that the placing commission is fair and reasonable.

### **Conditions precedent**

Completion is subject to the fulfillment of the following conditions precedent:

- (i) the Listing Committee granting approval for the listing of and permission to deal in the Warrant Shares which may fall to be issued and allotted upon exercise of the subscription rights attached to the Warrants; and
- (ii) the obligations of the Placing Agent thereunder not being terminated in accordance with the terms of the Placing Agreement.

In the event that any of the above conditions precedent has not been satisfied or fulfilled on or before 15 May 2015 (or such later date as may be agreed between the Company and the Placing Agent in writing), the Placing Agreement shall automatically terminate with immediate effect; and neither party shall have any claim against the other save for any antecedent breaches of the terms of the Placing Agreement.

## **Completion**

Completion shall take place no later than the second Business Day after fulfillment of the conditions of the Placing (or such later date as may be agreed between the Company and the Placing Agent).

## **PLACEES**

The Warrants shall be offered by the Placing Agent, on a fully-underwritten basis, to not less than six Placees, which will be professional investors. The Placing Agent will use its best endeavour to ensure that the Placees and their respective ultimate beneficial owners will be independent from the Company and not connected with the Company and its connected persons.

## **PRINCIPAL TERMS OF THE UNLISTED WARRANTS**

### **Number of Warrants**

Pursuant to the Placing Agreement, the Company agreed to grant 287,531,980 Warrants during the Placing Period at the Placing Price to the Placees and the Warrants will be in registered form and constituted by the Instrument.

The Warrants will rank pari passu in all respects among themselves.

### **Placing Price**

The Placing Price is HK\$0.01 per Warrant.

### **Number of Warrant Shares issuable**

As at the date of this announcement, the Company has a total of 2,875,319,860 Shares in issue. Assuming there is no further issue (save for the Bonus Issue) or repurchase of the Shares and there is no adjustment to the Subscription Price, upon the full exercise of the subscription rights attaching to the Warrants, 287,531,980 Warrant Shares will be issued, which represent approximately 10.00% of the existing issued share capital of the Company and approximately 9.09% of the issued share capital as enlarged by the issue of all the Warrant Shares.

## **Subscription Price**

Each Warrant carries the right to subscribe for one Warrant Share at the Subscription Price of HK\$0.70 per Warrant Share (subject to adjustment pursuant to the Instrument):

The Subscription Price of HK\$0.70 represents:

- (i) a premium of approximately 2.94% over the closing price of HK\$0.68 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a premium of approximately 9.03% over the average of the closing prices of HK\$0.642 per Share as quoted on the Stock Exchange for the last five consecutive trading days immediately preceding the Last Trading Day;
- (iii) a premium of approximately 15.13% over the average of the closing prices of HK\$0.608 per Share as quoted on the Stock Exchange of for the last ten consecutive trading days immediately preceding the Last Trading Day.

The initial Subscription Price of the Warrants are subject to customary anti-dilutive adjustments in certain events, including, among other things, share consolidation, share subdivision, capitalisation issue, capital distribution, rights issue and further issue of shares or convertible securities with conversion price less than the then market price provided that the Subscription Price shall not at any time fall below the par value of the Shares.

Both the Placing Price and the Subscription Price are determined after arm's length negotiations between the Company and the Placing Agent, taking into account the recent trading prices of the Shares. The Board is of the opinion that the Placing Price and the Subscription Price are fair and reasonable and in the best interests of the Company.

## **Subscription period**

The subscription rights attaching to the Warrants can be exercised at any time during a period of 24 months after the issue of the Warrants.

## **Application for the Listing**

No listing of the Warrants will be sought on the Stock Exchange or any other stock exchanges, but the Company will apply to the Listing Committee the listing of, and permission to deal in, the Warrant Shares on the Stock Exchange.

## **Ranking of the Warrant Shares**

The Warrant Shares, when issued and fully paid, will rank pari passu in all respects with the existing issued Shares as at the date of allotment of the Warrant Shares.

## **Transferability**

The Warrants are transferable in whole or in part but at integral multiples of 1,000,000 Warrants.

## **Voting rights of the Warrants**

The holder(s) of the Warrants will not have any right to attend or vote at any meeting of the Company by virtue of them being the holders of the Warrants. The holder(s) of the Warrants shall not have the right to participate in any distributions and/or offers of further securities made by the Company.

## **GENERAL MANDATE TO ISSUE THE WARRANT SHARES**

The Warrant Shares will be issued pursuant to the General Mandate. Immediately prior to entering into the Placing Agreement, no Shares have been issued pursuant to the General Mandate. The maximum number of new Shares which can be issued under the General Mandate is 287,531,980 new Shares. Thus, the proposed issue of Warrants under the Placing Agreement will fully utilize the General Mandate and the Placing is not subject to any Shareholders' separate approval.

## **REASONS FOR THE ISSUE OF WARRANTS AND USE OF PROCEEDS**

The principal activities of the Company are investment holding and provision of corporate management services and its subsidiaries are principally engaged in (i) the design, development, manufacture and sale of packaging products and point-of-sales display units and (ii) securities investment and trading business as well as money lending business.

The net proceeds from the Placing are up to approximately HK\$2.88 million which will be used as the general working capital of the Group. Any additional proceeds from the issue of the Warrant Shares upon the exercise of the subscription rights attaching to the Warrants in the future up to a maximum amount of approximately HK\$195 million (after deduction of expenses) will also be applied as the general working capital and as funds for future business development of the Group. The net price per Warrant is therefore approximately HK\$0.68.

The Directors consider that the issue of the Warrants to the Placees would attract the requisite funding for general working capital and future business development of the Group and would provide the Group with an opportunity to raise further funds when the Placees exercise the subscription rights attaching to the Warrants.

In view of the above, the Directors consider that the Placing is an appropriate method of raising further funds for the Company in the circumstances and that the terms of the Placing Agreement which have been arrived at after arm's length negotiations between the Company and the Placing Agent are fair and reasonable and the Placing Agreement is in the interests of the Company and the Shareholders as a whole.

## FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company has not conducted any fund raising activities in the past twelve months immediately preceding the date of this announcement.
