PRECAUTIONARY MEASURES FOR THE AGM

To safeguard the health and safety of Shareholders and to prevent the spreading of the COVID-19 pandemic, precautionary measures will be implemented at the AGM, including:

1. Compulsory body temperature checks will be conducted for each of the shareholders, proxies and other attendees at the entrance of the meeting venue. Any person with a body temperature of over 37.5 degrees Celsius or has any flu-like symptoms or is otherwise unwell, or is subject to the mandatory quarantine order imposed by the Hong Kong Government or has close contact with any person with confirmed case or under quarantine will be denied entry into, or be required to leave, the meeting venue;
2. all attendees must wear surgical face masks throughout the AGM. No surgical masks will be provided by the Company;

4. No refreshment will be served, and there will be no corporate gift. Eating and drinking will not be permitted at the AGM venue.
5. Each attendee may be asked whether (a) he/she has travelled outside of Hong Kong within the 14-day period immediately before the AGM; and (b) he/she is subject to any Hong Kong Government prescribed quarantine. Anyone who responds positively to any of these questions may be denied entry into the meeting venue or be required to leave the meeting venue.
6. All attendees should have received at least two doses of vaccine.

If necessary, more severe precautionary measures and/or other arrangement may be adopted at the AGM to comply with any new, amended and then existing law provision of Hong Kong in effect that time. The Company may change the AGM arrangement at short notice and issue further announcement(s) as appropriate. Shareholders should check the Company's website (www.touyunbiotech.com.hk) for updates on the latest arrangement of the AGM. As such, the Company reminds all Shareholders that physical attendance in person at the meeting is not necessary for the purpose of exercising voting rights. Shareholders may appoint the chairman of the meeting as their proxy to vote on the relevant resolutions at the meeting instead of attending the meeting in person, by completing and return the proxy form attached to this circular. The purpose of this circular is to provide you with information in respect of the resolutions to be proposed at the AGM relating to, inter alia, (i) the granting to the Directors of the Issue Mandate to issue Shares up to a maximum of 20% of the number of issued Shares of the Company at the date of passing the resolution at the AGM; (ii) the granting to the

LETTER FROM THE BOARD

Directors of the Repurchase Mandate to exercise all the powers of the Company to repurchase Shares up to a maximum of 10% of the number of issued Shares of the Company as at the date of passing the resolution at the AGM; (iii) the extension of the Issue Mandate by those Shares repurchased by the Company pursuant to the Repurchase Mandate granted to the Directors; (iv) the re-election of Directors; (v) the adoption of the Share Option Scheme; and (vi) the adoption of the New Bye-laws.

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

The general mandates to issue and repurchase Shares, which were last granted by the Shareholders to the Directors at the annual general meeting of the Company held on 4 June 2021, will lapse at the conclusion of the AGM. Ordinary resolutions will therefore be proposed at the AGM to renew the general mandates so as to give the Directors general authority:

- (a) to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot and issue Shares not exceeding 20% of the total number of issued Shares as at the date of passing the resolution. Based on the 2,805,952,149 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued prior to the AGM, subject to the passing of the relevant ordinary resolution to approve the Issue Mandate at the AGM, the Directors will be authorised to allot and issue up to a limit of 561,190,429 Shares under the Issue Mandate. The Issue Mandate will expire on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company;
- (b) to grant the Repurchase Mandate to the Directors to exercise all powers of the Company to repurchase issued Shares subject to the criteria set out in this circular. Under the Repurchase Mandate, the maximum number of Shares that the Company may repurchase shall not exceed 10% of the total number of issued Shares as at the date of passing the resolution. As at the Latest Practicable Date, the number of Shares in issue is 2,805,952,149 Shares. Subject to the passing of the proposed ordinary resolution approving the granting of the Repurchase Mandate and assuming no further Shares are issued prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 280,595,214 Shares, being 10% of the issued Shares of the Company as at the date of passing the resolution in relation thereof. The Repurchase Mandate will expire on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and

LETTER FROM THE BOARD

- (c) subject to the passing of the aforesaid ordinary resolutions of the Issue Mandate and the Repurchase Mandate, to extend the number of Shares to be issued and allotted under the Issue Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

In accordance with the Listing Rules, an explanatory statement is set out in Appendix II to this circular to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolution in relation to the grant of the Repurchase Mandate at the AGM.

ADOPTION OF SHARE OPTION SCHEME

(1) The Existing Share Option Scheme

The Existing Share Option Scheme was adopted at the time of listing on 18 May 2012. The Existing Share Option Scheme will expire on the tenth anniversary of its adoption.

As at the Latest Practicable Date, 187,322,500 share options remain outstanding. The outstanding options granted under the Existing Share Option Scheme remain valid upon expiry of the Existing Share Option Scheme.

(2) The Share Option Scheme

To enable the Company to continue to grant options to Eligible Participants, the Board proposes to recommend to the Shareholders at the forthcoming AGM to approve and adopt the Share Option Scheme. There is no material difference between the Existing Option Scheme and Share Option Scheme. The Directors consider that the adoption of the Share Option Scheme is in the interests of the Company and the Shareholders as a whole.

(i) Purpose of the Share Option Scheme

The purpose of the Share Option Scheme has been set out in the section headed “(a) Purpose” in Appendix III of this circular.

(ii) Principal terms of the Share Option Scheme

The provisions of the Share Option Scheme comply with the requirements of Chapter 17 of the Listing Rules. A summary of the principal terms of the Share Option Scheme is set out in Appendix III of this circular.

Under the Share Option Scheme, there is no fixed minimum period for the Share Options to held or fixed performance targets. The Board has the authority to set the terms and conditions in the grant of the options (e.g. in relation to the minimum period of the options to be held, the performance targets to be achieved before such options can be exercised and to determine the subscription price). The Board considers that this will provide the Board a better position and with more flexibility to tailor each grant by imposing appropriate conditions in light of the circumstances of individual grantees to achieve of the purpose of the Share Option Scheme. While the Share Option Scheme does

LETTER FROM THE BOARD

not impose minimum period requirement, each grant will be considered on an individual basis to achieve the purpose of the Share Option Scheme including retaining human resources that are valuable to the growth and development of the Group if the grantees are required to hold the Share Options for a certain period of time prior to vesting. For example, in 2020, share options granted under the Existing Option Scheme would only be vested three years from the date of grant, with pre-determined exercise periods such that the options may only become fully exercisable from October 2026.

The Directors consider that it is not appropriate to state the value of the options which may be granted under the Share Option Scheme as if they had been granted as at the Latest Practicable Date. The pricing of the options have been set out in paragraph (f) of Appendix III of this circular. The Directors believe that any estimate regarding the value of the options will not be meaningful to the Shareholders, since the options to be granted shall not be assignable, and no holder of the options shall in any way sell, transfer, charge, mortgage or create any interest (legal or beneficial) in favour of any third party over or in relation to any Share Option.

(iii) Eligible Participants

The three classes of Eligible Participants are set out in section (b) of Appendix III to this circular.

The inclusion of the class of Eligible Participants who are not Directors nor employees of the Group would provide the Board with maximum flexibility to achieve the purpose of the Share Option Scheme.

This class of Eligible Participants has been eligible under the eligible participants under the Existing Option Scheme since the listing of the Shares.

Since listing, the Company considers that the success of the Group requires the co-operation and contribution not only from its directors and employees, but also from various other parties who play an instrumental role in and make actual or potential contribution to the business and development of the Group, which may include consultants, advisors, joint venture, business or strategic alliance partners and shareholders of the Group. It is important that the Share Option Scheme provides the Board with flexibility to allow the Group to maintain the existing business relationships and exploring potential partnerships with its stakeholders.

While there is no sublimit on the number of Share Options that may be granted to this class of Eligible Participants, the discretion to grant Share Options to this class of Eligible Participants has always been and will always be exercised with care and full consideration. In granting Share Options to this class of Eligible Participants, the Board must be satisfied that they will contribute or have contributed to the Company and/or any of its subsidiaries, that they share common interest and objectives with the Group, and the grant of Share Options to them will be beneficial to the sustainable development of the Group.

LETTER FROM THE BOARD

Grants to this class of participants, including the rationale and their relationship with the Group, have been and will be clearly set out in the Company's financial reports. As disclosed in the 2021 interim report, in 2019, the Company granted share options to 2 business consultants of the Group; in 2020, the Company granted share options to 3 consultants of the Group, namely technology consultant, strategic financial planning consultant and sales and marketing consultant — South Asia Region. These consultants remained as consultants of the Group as at the Latest Practicable Date. The share options granted to them achieved the purpose of the share option scheme in maintaining the Group's relationship with talents that would contribute to the long term development of the Group.

Under the note to Rule 17.03(2) of the Listing Rules, the Company has been advised that the adoption of the Share Option Scheme does not constitute an offering of Shares for subscription and the prospectus requirements of the Companies (Winding Up and Miscellaneous Provisions) Ordinance are not applicable at the time of adoption of the Share Option Scheme. The Company will comply with the relevant requirements when granting Share Options to the Eligible Participants.

(iv) Conditions of the adoption of the Share Option Scheme

The adoption of the Share Option Scheme is conditional upon the conditions set out in the section headed "(x) Condition of the Share Option Scheme" in Appendix III of this circular. Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of the options granted under the Share Option Scheme.

As at the Latest Practicable Date, there were 2,805,952,149 Shares in issue. Assuming that no further Share will be allotted, issued, repurchased or cancelled prior to the AGM, the total number of Shares that may fall to be allotted and issued under the Share Option Scheme after the resolution regarding the proposed adoption of the Share Option Scheme is passed at the AGM would be 280,595,214 Shares, representing approximately 10% of the total number of Shares in issue, which together with the number of Shares which may fall to be allotted and issued upon exercise in full of the 187,322,500 outstanding options granted under the Existing Share Option Scheme, are within the overall limit of 30% prescribed under the Listing Rules.

(v) General

None of the Directors is a trustee of the Share Option Scheme or has a direct or indirect interest in the trustee of the Share Option Scheme, if any.

As at the Latest Practicable Date, the Company has no current plan or intention to grant options to any Eligible Persons upon adoption of the Share Option Scheme.

As at the Latest Practicable Date, no Shareholder had a material interest in the adoption of the Share Option Scheme. As such, no Shareholder is required to abstain from voting on the resolution in relation thereto.

LETTER FROM THE BOARD

A copy of the rules of the Share Option Scheme is available for inspection at the Company's principal place of business in Hong Kong at 12/F, Kwan Chart Tower, 6 Tonnochy Road, Wan Chai, Hong Kong, at normal business hours from the date of this circular up to and including the date of the AGM.

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules.

1. EXERCISE OF THE REPURCHASE MANDATE

On the basis that (i) 2,805,952,149 Shares were in issue as at the Latest Practicable Date, and (ii) no further Shares were issued and/or repurchased between the Latest Practicable Date and the date of the resolution approving the Repurchase Mandate, exercise in full of the Repurchase Mandate would result in up to 280,595,214 Shares being repurchased by the Company during the period from the date of passing the resolution granting the Repurchase Mandate until the earlier to occur of (i) the conclusion of the next annual general meeting of the Company, (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Bye-laws to be held, or (iii) the revocation or variation of the Repurchase Mandate by Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the interests of the Company and Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-laws and the applicable laws of Bermuda.

Under Bermuda law, purchases of the Shares may only be effected out of the capital paid up on the Shares to be purchased or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for such purpose. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account.

Based on the position disclosed in the Company's most recent published audited accounts for the year ended 31 December 2021, and taking into account the current working capital position of the Company, there might be an adverse effect on the working capital or gearing position of the Company if the Repurchase Mandate was exercised in full in the period before expiration of the Repurchase Mandate. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent that it would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. EFFECT OF TAKEOVERS CODE

If, as a result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Share Repurchase Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Wang Liang (an Executive Director and Chairman of the Company) is beneficially interested in 624,000,000 Shares (including 1,500,000 Share Option) and his mother Ms. Qiao Yanfeng ("**Ms. Qiao**", a substantial shareholder of the Company) is deemed to be interested in 150,000,000 Shares through TY Technology Group Limited which is in turn owned as to 90% by Wise Tech Enterprises Incorporated (wholly-owned by Ms. Qiao) and 10% by Truthful Bright International Holding Limited (wholly-owned by Ms. Qiao). Mr. Wang Liang together with Ms. Qiao were interested in the aggregate of 774,000,000 Shares, representing approximately 27.6% of the issued Shares of the Company. Based on such shareholdings and in the event that the Directors exercised in full the power to repurchase Shares under the Share Repurchase Mandate, the shareholdings of Mr. Wang Liang together with Ms. Qiao would be increased to approximately 30.6% of the issued Shares of the Company. Accordingly, such increases would trigger a mandatory offer obligation under Rule 26 of the Takeovers Code. The Directors do not intend to repurchase Shares to the extent that Mr. Wang Liang together with Ms. Qiao and their associates would need to make a mandatory general offer pursuant to Rule 26 of the Takeovers Code or the Company cannot satisfy its minimum requirement for public float.

5. GENERAL

None of the Directors and, to the best of their knowledge and belief having made all reasonable enquiries, none of their close associates (as defined in the Listing Rules), have any present intention, in the event that the Repurchase Mandate is approved by the Shareholders to sell Shares to the Company.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

The Company has not repurchased any Shares, whether on the Stock Exchange or otherwise, during the six months preceding the Latest Practicable Date.

6. SHARE PRICES

The following is a summary of the principal terms of the Share Option Scheme.

(a) Purpose

The Share Option Scheme is a share incentive scheme prepared in accordance with Chapter 17 of the Listing Rules and is established to recognise and acknowledge the contributions that the Eligible Participants (as defined in paragraph (b) below) had or may have made to the Group. The Share Option Scheme will provide the Eligible Participants an opportunity to have a personal stake in the Company with the view to achieving the following objectives:

- (i) motivate the Eligible Participants to optimise their performance efficiency for the benefit of the Group; and
- (ii) attract and retain or otherwise maintain an on-going business relationship with the Eligible Participants whose contributions are or will be beneficial to the long-term growth of the Group.

(b) Who may join

The Board may, at its discretion, offer to grant an option to the following persons (collectively the “**Eligible Participants**”) to subscribe for such number of new Shares as the Board may determine at an exercise price determined in accordance with paragraph (f) below:

- (i) any full-time or part-time employees, executives or officers of the Company or any of its subsidiaries;
- (ii) any directors (including non-executive directors and independent non-executive directors) of the Company or any of its subsidiaries; and
- (iii) any advisers, consultants, suppliers, customers, distributors and such other persons who, in the sole opinion of the Board, will contribute or have contributed to the Company and/or any of its subsidiaries.

Upon acceptance of the option, the grantee shall pay HK\$1.00 to the Company by way of consideration for the grant.

(c) Acceptance of an offer of options

An option shall be deemed to have been granted and accepted by the grantee and to have taken effect when the duplicate offer document constituting acceptances of the options duly signed by the grantee, together with a remittance or payment in favour of the Company of HK\$1.00 by way of consideration for the grant thereof, is received by the Company on or before the relevant acceptance date. Such remittance or payment shall in no circumstances be refundable. Any offer to grant an option to subscribe for Shares may be accepted in respect of less than the number of Shares for which it is offered provided that it is accepted in respect of a board lot for dealing in Shares on the Stock Exchange or

an integral multiple thereof and such number is clearly stated in the duplicate offer document constituting acceptance of the option. To the extent that the offer to grant an option is not accepted by any prescribed acceptance date, it shall be deemed to have been irrevocably declined.

Subject to paragraphs (l), (m), (n), (o) and (p), an option shall be exercised in whole or in part and, other than where it is exercised to the full extent outstanding, shall be exercised in integral multiples of such number of Shares as shall represent one board lot for dealing in Shares on the Stock Exchange for the time being, by the grantee by giving notice in writing to the Company stating that the option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance or payment for the full amount of the exercise price for the Shares in respect of which the notice is given. Within 21 days after receipt of the notice and the remittance or payment and, where appropriate, receipt of the certificate by the auditors to the Company or the approved independent financial adviser as the case may be pursuant to paragraph (r), the Company shall allot and issue the relevant number of Shares to the grantee credited as fully paid and issue to the grantee certificates in respect of the Shares so allotted.

The exercise of any option shall be subject to the Shareholders in general meeting approving any necessary increase in the authorised share capital of the Company.

(d) Maximum number of Shares

The number of Shares in respect of which options may be granted under the Share Option Scheme and under any other share option schemes of the Company must not exceed in aggregate 10% of the total number of Shares in issue as at the date on which the Share Option Scheme is conditionally adopted by an ordinary resolution of the Shareholders, excluding for this purpose Shares which would have been issuable pursuant to options which have lapsed in accordance with the terms of the Share Option Scheme (or any other share option schemes of the Company). Subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting and/or such other requirements prescribed under the Listing Rules from time to time, the Board may:

- (i) renew the limit at any time to 10% of the Shares in issue as at the date of the approval by the Shareholders in general meeting; and/or
- (ii) grant options beyond the 10% limit to Eligible Participants specifically identified by the Board. The circular to be issued by the Company to the Shareholders shall contain a generic description of the specified Eligible Participants who may be granted such options, the number and terms of the options to be granted, the purpose of granting options to the specified Eligible Participants with an explanation as to how the options serve such purpose, the information required under Rule 17.02(2)(d) and the disclaimer required under Rule 17.02(4) of the Listing Rules.

Notwithstanding the foregoing and to paragraph (r) below, the maximum number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company at any time shall not exceed 30% of the Shares in issue from time to time. No options shall be granted under any schemes of the Company (including the Share Option Scheme) if this will result in the 30% limit being exceeded. The maximum number of Shares in respect of which options may be granted shall be adjusted, in such manner as the auditors of the Company or an approved independent financial adviser shall certify to be appropriate, fair and reasonable in the event of any alteration in the capital structure of the Company in accordance with paragraph (r) below whether by way of consolidation, capitalisation issue, rights issue, sub-division or reduction of the share capital of the Company but in no event shall exceed the limit prescribed in this paragraph.

(e) Maximum number of options to any one individual

The total number of Shares issued and which may fall to be issued upon exercise of the options granted under the Share Option Scheme and any other share option schemes of the Company (including both exercised and outstanding options) to each Eligible Participant in any 12-month period up to the date of grant shall not exceed 1% of the Shares in issue as at the date of grant. Any further grant of options in excess of this 1% limit shall be subject to:

- (i) the issue of a circular by the Company to the Shareholders contain the identity of the Eligible Participant, the numbers of and terms of the options to be granted (and options previously granted to such participant), the information as required under Rules 17.02(2)(d) and the disclaimer required under 17.02(4) of the Listing Rules; and
- (ii) the approval of the Shareholders in general meeting and/or other requirements prescribed under the Listing Rules from time to time with such Eligible Participant and his/her close associates (or his/her associates if the Eligible Participant is a connected person) abstaining from voting. The Board shall forward to such Eligible Participant an offer document in such form as the Board may from time to time determine which states (or, alternatively, documents accompanying the offer document which state), among others:
 - a. the Eligible Participant's name, address and occupation;
 - b. the date on which an option is offered to an Eligible Participant which must be a date on which the Stock Exchange is open for the business of dealing in securities;
 - c. the date upon which an offer for an option must be accepted;
 - d. the date upon which an option is deemed to be granted and accepted in accordance with paragraph (c);
 - e. the number of Shares in respect of which the option is offered;

- f. the subscription price and the manner of payment of such price for the Shares on and in consequence of the exercise of the option;
- g. the date of the expiry of the option as may be determined by the Board;
- h. the method of acceptance of the option which shall, unless the Board otherwise determines, be as set out in paragraph (c); and
- i. such other terms and conditions (including, without limitation, any minimum period for which an option must be held before it can be exercised and/or any performance targets which must be achieved before the option can be exercised) relating to the offer of the option which in the opinion of the Board are fair and reasonable but not being inconsistent with Share Option Scheme and the Listing Rules.

(f) Price of Shares

Subject to any adjustments made as described in paragraph (r) below, the subscription price of a Share in respect of any particular option granted under the Share Option Scheme shall be such price as the Board in its absolute discretion shall determine, save that such price must be at least the higher of:

- (i) the official closing price of the Shares as stated in the Stock Exchange's daily quotation sheets on the date of grant, which must be a day on which the Stock Exchange is open for the business of dealing in securities;
- (ii) the average of the official closing prices of the Shares as stated in the Stock Exchange's daily quotation sheets for the five business days immediately preceding the date of grant; and
- (iii) the nominal value of a Share.

(g) Granting options to a director, chief executive or Substantial Shareholder of the Company or any of their respective associates

Any grant of options to a director, chief executive or Substantial Shareholder of the Company or any of their respective associates is required to be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the options). If the Board proposes to grant options to a Substantial Shareholder or any independent non-executive Director (or any of their respective associates (as defined in the Listing Rules)) which will result in the number of Shares issued and to be issued upon exercise of options granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:

- (i) representing in aggregate over 0.1% or such other percentage as may be from time to time provided under the Listing Rules of the Shares in issue in the date of offer of the option; and
- (ii) having an aggregate value in excess of HK\$5 million or such other sum as may be from time to time provided under the Listing Rules, based on the official closing price of the Shares as stated in the daily quotation sheets of the Stock Exchange on the date of each grant, such further grant of options will be to the issue of a circular by the Company and the approval of the Shareholders in general meeting on a poll at which the grantee, his/her associates and all core connected persons of the Company shall abstain from voting in favour, and/or such other requirements prescribed under the Listing Rules from time to time. Any vote taken at the meeting to approve the grant of such options shall be taken as a poll.

The circular to be issued by the Company to the Shareholders pursuant to the above paragraph shall contain the following information:

- (i) the details of the number and terms (including the exercise price) of the options to be granted to each selected Eligible Participant which must be fixed before the Shareholders' meeting and the date of Board meeting for proposing such further grant shall be taken as the date of grant for the purpose of calculating the exercise price of such options;
- (ii) a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the options) to the independent Shareholders as to voting;
- (iii) the information required under Rules 17.02(2)(c) and (d) and the disclaimer required under Rule 17.02(4) of the Listing Rules; and
- (iv) the information required under Rule 2.17 of the Listing Rules.

(h) Restrictions on the times of grant of options

A grant of options shall not be made after inside information has come to the knowledge of the Company until it has announced such inside information pursuant to the requirements of the Listing Rules and the Inside Information Provisions of Part XIVA of the SFO. In particular, no options shall be granted during the period commencing one month immediately preceding the earlier of:

- (i) the date of the Board meeting (as such date to first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of the Company's annual results or our results for half-year, quarterly or other interim period (whether or not required under the Listing Rules); and
- (ii) the deadline for the Company to publish an announcement of our annual results or our results for half-year, quarterly or other interim period (whether or not required under the Listing Rules), and ending on the date of actual publication of the results announcement for such year, half year, quarterly or interim period (as the case may be),

and where an option is granted to a Director notwithstanding the above:

- (i) no options shall be granted during the period of 60 days immediately preceding the publication date of the annual results or, if shorter, the period from the end of the relevant financial year up to the publication date of the results; and
- (ii) during the period of 30 days immediately preceding the publication date of the quarterly results (if any) and half-year results or, if shorter, the period from the end of the relevant quarterly or half-year period up to the publication date of the results.

(i) Rights are personal to grantee

An option and an offer to grant an option shall be personal to the grantee and shall not be transferrable or assignable. No grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest (legal or beneficial) in favour of any third party over or in relation to any option held by him/her or any offer relating to the grant of an option made to him/her or attempt so to do (save that the grantee may nominate a nominee in whose name the Shares issued pursuant to the Share Option Scheme may be registered). Any breach of the foregoing shall entitle the Company to cancel any outstanding options or any part thereof granted to such grantee.

(j) Time of exercise of option and duration of the Share Option Scheme

An option may be exercised in accordance with the terms of the Share Option Scheme at any time after the date upon which the option is deemed to be granted and accepted and prior to the expiry of 10 years from that date. The period during which an option may be exercised will be determined by the Board in its absolute discretion, save that no option may be exercised more than 10 years after it has been granted. No option

may be granted more than 10 years after the date of approval of the Share Option Scheme. Subject to earlier termination by the Company in general meeting or by the Board, the Share Option Scheme shall be valid and effective for a period of 10 years from the Listing Date.

(k) Performance target

A grantee may be required to achieve any performance targets as the Board may then specify in the grant before any options granted under the Share Option Scheme can be exercised.

(l) Rights on ceasing employment or death

If the grantee of an option ceases to be an employee of the Company and/or any of its subsidiaries:

- (i) by any reason other than death or termination of his/her employment on the grounds specified in paragraph (m) below, the grantee may exercise the option up to the entitlement of the grantee as at the date of cessation (which date shall be the last actual working day with the Company or the relevant subsidiary whether salary is paid in lieu of notice or not) (to the extent not already exercised) up to a date as the Board may determine from such cessation; or
- (ii) by reason of death, his/her personal representative(s) may exercise the option in full (to the extent not already exercised) within a period of 12 months (or such longer period as the Board may determine) from the date of death.

(m) Rights on dismissal

If the grantee of an option ceases to be an employee of the Company or any of its subsidiaries on the grounds that he/she has been guilty of serious misconduct, or has been convicted of any criminal offence involving his/her integrity or honesty or in relation to an employee of the Group (if so determined by the Board), or has become insolvent, bankrupt or has made arrangements or compositions with his/her creditors generally, or on any other ground on which an employee would be entitled to terminate his/her employment at common law or pursuant to any applicable laws or under the grantee's service contract with the Group, his/her option will lapse and not be exercisable after the date of termination of his/her employment.

(n) Rights on takeover

If a general offer is made to all the Shareholders (or all such Shareholders other than the offeror and/or any person controlled by the offeror and/or any person acting in concert with the offeror (as defined in the Takeovers Codes)) and such offer becomes or is declared unconditional during the option period of the relevant option, the grantee of an option shall be entitled to exercise the option in full (to the extent not already exercised) at any time within 14 days after the date on which the offer becomes or is declared unconditional.

(o) Rights on winding-up

In the event a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall forthwith give notice thereof to all grantees and thereupon, each grantee (or his/her legal personal representative(s)) shall be entitled to exercise all or any of his/her options (to the extent not already exercised) at any time not later than two business days prior to the proposed general meeting of the Company referred to above by giving notice in writing to the Company, accompanied by a remittance or payment for the full amount of the aggregate subscription price for the Shares in respect of which the notice is given, whereupon the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting, allot the relevant Shares to the grantee credited as fully paid and register the grantee as holder thereof.

(p) Rights on compromise or arrangement between the Company and its members or creditors

If a compromise or arrangement between the Company and its members or creditors is proposed for the purposes of a scheme for the reconstruction of the Company or its amalgamation with any other companies pursuant to the laws of jurisdictions in which the Company was incorporated, the Company shall give notice to all the grantees of the options on the same day as it gives notice of the meeting to its members or creditors summoning the meeting to consider such a compromise or arrangement and any grantee may by notice in writing to the Company accompanied by a remittance for the full amount of the aggregate subscription price for the Shares in respect of which the notice is given (such notice to be received by the Company not later than two business days prior to the proposed meeting), exercise the option to its full extent or to the extent specified in the notice and the Company shall as soon as possible and in any event no later than the business day immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the grantee which falls to be issued on such exercise of the option credited as fully paid and register the grantee as holder thereof.

With effect from the date of such meeting, the rights of all grantees to exercise their respective options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all options shall, to the extent that they have not been exercised, lapse and determine. If for any reason such compromise or arrangement does not become effective and is terminated or lapses, the rights of grantees to exercise their respective options shall with effect from such termination be restored in full but only upon the extent not already exercised and shall become exercisable as if such compromise or arrangement had not been proposed by the Company.

(q) Ranking of Shares

The Shares to be allotted upon the exercise of an option will not carry voting, dividend or other rights until completion of the registration of the grantee (or any other person nominated by the grantee) as the holder thereof. Subject to the aforesaid, Shares allotted and issued on the exercise of options shall be subject to the provision of the bye-

laws of the Company and will carry the same rights in all respects and shall have the same voting, dividend, transfer and other rights, including those arising on liquidation as attached to the other fully-paid Shares in issue on the date of issue and rights in respect of any dividend or other distributions paid or made on or after the date of issue.

(r) Effect of alterations to capital

In the event of any alteration in the capital structure of the Company whilst any option may become or remains exercisable, whether by way of capitalisation issue, rights issue, sub-division or consolidation of Shares, or reduction of share capital of the Company, such corresponding alterations (if any) shall be made in the number of Shares to any options so far as unexercised and/or the subscription price per Share of each outstanding option as the auditors of the Company or an independent financial adviser shall certify in writing to the Board to be in their/his/her opinion fair and reasonable in compliance with Rule 17.03(13) of the Listing Rules and the note thereto and the supplementary guidance issued by the Stock Exchange on 5 September 2005 and any future guidance and interpretation of the Listing Rules issued by the Stock Exchange from time to time and the note thereto. The capacity of the auditors of the Company or the approved independent financial adviser, as the case may be, in this paragraph is that of experts and not arbitrators and their certificate shall, in absence of manifest error, be final and conclusive and binding on the Company and the grantees.

Any such alterations will be made on the basis that a grantee shall have the same proportion of the issued share capital of the Company for which any grantee of an option is entitled to subscribe pursuant to the options held by him/her before such alteration and the aggregate subscription price payable on full exercise of any option is to remain as nearly as possible the same (and in any event not greater than) as it was before such event. No such alteration will be made the effect of which would be to enable a Share to be issued at less than its nominal value. The issue of securities as consideration in a transaction is not to be regarded as a circumstance requiring any such alterations.

(s) Expiry of option

An option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (i) the date of expiry of the option as may be determined by the Board;
- (ii) the expiry of any of the periods referred to in paragraphs (l), (m), (n), (o) or (p);
- (iii) the date on which the scheme of arrangement of the Company referred to in paragraph (p) becomes effective;
- (iv) to paragraph (o), the date of commencement of the winding-up of the Company;

- (v) the date on which the grantee ceases to be an Eligible Participant by reason of such grantee's resignation from the employment of the Company or any of our subsidiaries or the termination of his/her employment or contract on any one or more of the grounds that he/she has been guilty of serious misconduct, or has been convicted of any criminal offence involving his/her integrity or honesty, or in relation to an employee of the Group (if so determined by the Board), or has been insolvent, bankrupt or has made compositions with his/her creditors generally or any other ground on which an employee would be entitled to terminate his/her employment at common law or pursuant to any applicable laws or under the grantee's service contract with the Group. A resolution of the Board to the effect that the employment of a grantee has or has not been terminated on one or more of the grounds specified in this paragraph shall be conclusive; or
- (vi) the date on which the Board shall exercise the Company's right to cancel the option at any time after the grantee commits a breach of paragraph (i) above or the options are cancelled in accordance with paragraph (u) below.

(t) Alteration of the Share Option Scheme

The Share Option Scheme may be altered in any respect by resolution of the Board except that:

- (i) any alteration to the advantage of the grantees or the Eligible Participants (as the case may be) in respect of the matters contained in Rule 17.03 of the Listing Rules; or
- (ii) any material alteration to the terms and conditions of the Share Option Scheme or any change to the terms of options granted (except any alterations which take effect automatically under the terms of the Share Option Scheme), shall first be approved by the Shareholders in general meeting provided that if the proposed alteration shall adversely affect any option granted or agreed to be granted prior to the date of alteration, such alteration shall be further to the grantees' approval in accordance with the terms of the Share Option Scheme. The amended terms of the Share Option Scheme shall still comply with Chapter 17 of the Listing Rules and any change to the authority of the Board in relation to any alteration to the terms of the Share Option Scheme must be approved by Shareholders in general meeting.

(u) Cancellation of options

Any cancellation of options granted but not exercised must be approved by the grantees of the relevant options in writing. For the avoidance of doubt, such approval is not required in the event any option is cancelled pursuant to paragraph (i).

(v) Termination of the Share Option Scheme

The Company may by resolution in general meeting or the Board at any time terminate the Share Option Scheme and in such event no further option shall be offered but the provisions of the Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any option granted prior thereto or otherwise as may be required in accordance with the provisions of the Share Option Scheme. Options granted prior to such termination but not yet exercised at the time of termination shall continue to be valid and exercisable in accordance with the Share Option Scheme.

(w) Administration of the Board

The Share Option Scheme shall be to the administration of the Board whose decision as to all matters arising in relation to the Share Option Scheme or its interpretation or effect (save as otherwise provided herein) shall be final and binding on all parties.

(x) Condition of the Share Option Scheme

The Share Option Scheme shall take effect to and is conditional upon:

- (i) the passing of the necessary resolutions by the Shareholders to approve and adopt the rules of the Share Option Scheme; and
- (ii) the Listing Committee of the Stock Exchange granting the approval for the listing of and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of options to be granted under the Share Option Scheme.

(y) Disclosure in annual and interim reports

23. Subject to these Bye-laws, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.

The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Bye-laws and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.
27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.
28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.
29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Bye-laws; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Bye-laws shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.
33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so

advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
 - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Bye-laws to forfeiture will include surrender.
37. Until cancelled in accordance with the requirements of the Act, a forfeited share shall be the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Bye-law any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be

deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Bye-laws as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register and shall enter therein the following particulars, that is to say:
 - (a) the name and address of each Member, the number and class of shares held by him and, in respect of any shares that are not fully paid, the amount paid or agreed to be considered as paid on such shares;
 - (b) the date on which each person was entered in the Register; and
 - (c) the date on which any person ceased to be a Member.

- (2) Subject to the Act, the Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.
44. The Register and branch register of Members, as the case may be, shall be open to inspection between 10 a.m. and 12 noon during business hours by members of the public without charge at the Office or such other place at which the Register is kept in accordance with the Act. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper and where applicable, any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45. ~~Notwithstanding~~ Subject to the Listing Rules, notwithstanding any other provision of these Bye-laws the Company or the Directors may fix any date as the record date for:
- (a) ~~determining the Members entitled to receive any dividend, distribution, allotment or issue and such record date may be on, or at any time not more than thirty (30) days before or after, any date on which such dividend, distribution, allotment or issue is declared, paid or made;~~
- (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. Subject to these Bye-laws, any Member may transfer all or any of his shares in any manner permitted by and in accordance with the ~~rules of the Designated Stock Exchange~~ Listing Rules or by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to Bye-law 46, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Bye-laws shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.
- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place in Bermuda at which the Register is kept in accordance with the Act.
49. Without limiting the generality of the last preceding Bye-law, the Board may decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
- (b) the instrument of transfer is in respect of only one class of share;
- (c) the instrument of transfer is lodged at the Office or such other place in Bermuda at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (d) if applicable, the instrument of transfer is duly and properly stamped.

50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers in accordance with the requirements of any Designated Stock Exchange or by any means in such manner as may be accepted by the Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Bye-law will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
53. Subject to Section 52 of the Act, any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Bye-laws relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.
54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Bye-law 72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Bye-law, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Bye-laws have remained uncashed;
 - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
 - (c) the Company, if so required by the ~~rules governing the listing of shares on the Designated Stock Exchange~~Listing Rules, has given notice to, and caused advertisement in newspapers in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Bye-law and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Bye-law shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

Any decision made under this Bye-law shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

64E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general

meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Bye-law shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a notice shall not affect the automatic postponement of such meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Bye-law, subject to and without prejudice to Bye-law 64, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Bye-laws not less than 48 hours before the time of the postponed or changed meeting; and
- (d) notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.

64F All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Bye-law 64C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

64G Without prejudice to other provisions in Bye-law 64, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Bye-laws, at any general meeting on a poll every Member present in person or by proxy ~~or, in the case of a Member being a corporation, by its duly authorised representative~~ shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that in the case of a physical meeting, the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person ~~(or being a corporation, is present by a duly authorized representative),~~ or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Bye-law, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.
- (2) ~~Where~~In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person ~~or in the case of a Member being a corporation by its duly authorised representative~~ or by proxy for the time being entitled to vote at the meeting; or
 - (b) by a Member or Members present in person ~~or in the case of a Member being a corporation by its duly authorised representative~~ or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
 - (c) by a Member or Members present in person ~~or in the case of a Member being a corporation by its duly authorised representative~~ or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member ~~or in the case of a Member being a corporation by its duly authorised representative~~ shall be deemed to be the same as a demand by the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the ~~rules of the Designated Stock Exchange~~Listing Rules.
68. On a poll votes may be given either personally or by proxy.
69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
70. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Bye-laws or by the Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
71. Where there are joint holders of any share any one of such joint holder may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Bye-law be deemed joint holders thereof.
72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, or postponed meeting, as the case may be.
- (2) Any person entitled under Bye-law 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) All Members have the right to (a) speak at a general meeting, and (b) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.
- (23) Where the Company has knowledge that any Member is, under the ~~rules of the Designated Stock Exchange Listing Rules~~, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.
74. If:
- (a) any objection shall be raised to the qualification of any voter; or
 - (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
 - (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting or postponed meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting or postponed meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

75. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.
76. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a

corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the fact.

77. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Bye-laws) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Bye-law is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Bye-law or if no electronic address is so designated by the Company for the receipt of such document or information.
- (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting ~~in person~~ at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

78. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Bye-laws has not been received in accordance with the requirements of these Bye-laws. Subject to aforesaid, if the proxy appointment and any of the information required under these Bye-laws is not received in the manner set out in these Bye-laws, the appointee shall not be entitled to vote in respect of the shares in question.
79. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting or postponed meeting, at which the instrument of proxy is used.
80. Anything which under these Bye-laws a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Bye-laws relating to proxies and instruments appointing proxies shall apply mutatis mutandis in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

81. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Bye-laws be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (2) Where a Member is a clearing house (or its nominee(s) and, in each case, being a corporation), it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Bye-law shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the

registered holder of the shares of the Company held by the clearing house (or its nominee(s)) in respect of the number and class of shares specified in the relevant authorisation including, where a show of hands is allowed, the right to vote individually on a show of hands.

- (3) Any reference in these Bye-laws to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Bye-law.

WRITTEN RESOLUTIONS OF MEMBERS

82. (1) Subject to the Act, a resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Bye-laws, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.
- (2) Notwithstanding any provisions contained in these Bye-laws, a resolution in writing shall not be passed for the purpose of removing a Director before the expiration of his term of office under Bye-law 83(4) or for the purposes set out in Bye-law 152(3) relating to the removal and appointment of the Auditor.

BOARD OF DIRECTORS

83. (1) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than two (2). There shall be no maximum number of Directors unless otherwise determined from time to time by the Members in general meeting. The Directors shall be elected or appointed in the first place at the statutory meeting of Members and thereafter at the annual general meeting in accordance with Bye-law 84 or at any special general meeting called for such purpose and who shall hold office for such term as the Members may determine or, in the absence of such determination, in accordance with Bye-law 84 or until their successors are elected or appointed or their office is otherwise vacated. Any general meeting may authorise the Board to fill any vacancy in their number left unfilled at a general meeting.
- (2) The Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or, subject to authorisation by the Members in general meeting, as an addition to the existing Board but so that the number of Directors so appointed shall not exceed any maximum number determined from time to time by the Members in general meeting. ~~Any Director appointed by the Board to fill a casual vacancy shall hold office until the first general meeting of Members after his appointment and be subject to re-~~

~~election at such meeting and any Director appointed by the Board as an addition to the existing Board so appointed shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.~~

- (3) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.
- (4) The Members may, at any general meeting convened and held in accordance with these Bye-laws, by ordinary resolution remove a Director at any time before the expiration of his period of office notwithstanding anything to the contrary in these Bye-laws or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement) provided that the Notice of any such meeting convened for the purpose of removing a Director shall contain a statement of the intention so to do and be served on such Director fourteen (14) days before the meeting and at such meeting such Director shall be entitled to be heard on the motion for his removal.
- (5) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (4) above may be filled by the election or appointment by the Members at the meeting at which such Director is removed to hold office until the next appointment of Directors or until their successors are elected or appointed or, in the absence of such election or appointment such general meeting may authorise the Board to fill any vacancy in the number left unfilled.
- (6) The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2).

RETIREMENT OF DIRECTORS

84. (1) Notwithstanding any other provisions in the Bye-laws, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years.
- (2) A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree

among themselves) be determined by lot. Any Director appointed pursuant to Bye-law 83(2) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

85. No person other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a Notice signed by a Member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a Notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the Registration Office provided that the minimum length of the period, during which such Notice(s) are given, shall be at least seven (7) days and that (if the Notices are submitted after the despatch of the notice of the general meeting appointed for such election) the period for lodgment of such Notice(s) shall commence on the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven (7) days prior to the date of such general meeting.

DISQUALIFICATION OF DIRECTORS

86. The office of a Director shall be vacated if the Director:
- (1) resigns his office by notice in writing delivered to the Company at the Office or tendered at a meeting of the Board;
 - (2) becomes of unsound mind or dies;
 - (3) without special leave of absence from the Board, is absent from meetings of the Board for six consecutive months, and his alternate Director, if any, shall not during such period have attended in his stead and the Board resolves that his office be vacated;

 - (5) is prohibited by law from being a Director; or
 - (6) ceases to be a Director by virtue of any provision of the Statutes or is removed from office pursuant to these Bye-laws.

No Director shall be required to vacate office or be ineligible for re-election or re-appointment as a Director, and no person shall be ineligible for appointment as a Directors, by reason only of his having attained any particular age.

EXECUTIVE DIRECTORS

87. The Board may from time to time appoint any one or more of its body to be a managing director, joint managing director or deputy managing director or to hold any other employment or executive office with the Company for such period (subject to their continuance as Directors) and upon such terms as the Board may determine and the Board may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Bye-law shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.
88. Notwithstanding Bye-laws 93, 94, 95 and 96, an executive director appointed to an office under Bye-law 87 hereof shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.

ALTERNATE DIRECTORS

89. Any Director may at any time by Notice delivered to the Office or head office or at a meeting of the Directors appoint any person to be his alternate Director. Any person so appointed shall have all the rights and powers of the Director or Directors for whom such person is appointed in the alternative provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate Director may be removed at any time by the person or body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if he were a Director, would cause him to vacate such office or if his appointer ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Bye-laws shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.
90. An alternate Director shall only be a Director for the purposes of the Act and shall only be subject to the provisions of the Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in

the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the remuneration otherwise payable to his appointor as such appointor may by Notice to the Company from time to time direct.

91. Every person acting as an alternate Director shall have one vote for each Director for whom he acts as alternate (in addition to his own vote if he is also a Director). If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, the signature of an alternate Director to any resolution in writing of the Board or a committee of the Board of which his appointor is a member shall, unless the notice of his appointment provides to the contrary, be as effective as the signature of his appointor.
92. An alternate Director shall ipso facto cease to be an alternate Director if his appointor ceases for any reason to be a Director, however, such alternate Director or any other person may be re-appointed by the Directors to serve as an alternate Director PROVIDED always that, if at any meeting any Director retires but is re-elected at the same meeting, any appointment of such alternate Director pursuant to these Bye-laws which was in force immediately before his retirement shall remain in force as though he had not retired.

DIRECTORS' FEES AND EXPENSES

93. The ordinary remuneration of the Directors shall from time to time be determined by the Company in general meeting and shall (unless otherwise directed by the resolution by which it is voted) be divided amongst the Board in such proportions and in such manner as the Board may agree or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of remuneration related to the period during which he has held office. Such remuneration shall be deemed to accrue from day to day.
94. Each Director shall be entitled to be repaid or prepaid all travelling, hotel and incidental expenses reasonably incurred or expected to be incurred by him in attending meetings of the Board or committees of the Board or general meetings or separate meetings of any class of shares or of debentures of the Company or otherwise in connection with the discharge of his duties as a Director.
95. Any Director who, by request, goes or resides abroad for any purpose of the Company or who performs services which in the opinion of the Board go beyond the ordinary duties of a Director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine and such extra remuneration shall be in addition to or in substitution for any ordinary remuneration provided for by or pursuant to any other Bye-law.

96. The Board shall obtain the approval of the Company in general meeting before making any payment to any Director or past Director of the Company by way of compensation for loss of office, or as consideration for or in connection with his retirement from office (not being payment to which the Director is contractually entitled).

DIRECTORS' INTERESTS

97. A Director may:
- (a) hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and, subject to the relevant provisions of the Act, upon such terms as the Board may determine. Any remuneration (whether by way of salary, commission, participation in profits or otherwise) paid to any Director in respect of any such other office or place of profit shall be in addition to any remuneration provided for by or pursuant to any other Bye-law;
 - (b) act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor) and he or his firm may be remunerated for professional services as if he were not a Director;
 - (c) continue to be or become a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of any other company promoted by the Company or in which the Company may be interested as a vendor, shareholder or otherwise and (unless otherwise agreed) no such Director shall be accountable for any remuneration, profits or other benefits received by him as a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of or from his interests in any such other company. Subject as otherwise provided by these Bye-laws the Directors may exercise or cause to be exercised the voting powers conferred by the shares in any other company held or owned by the Company, or exercisable by them as directors of such other company in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, joint managing directors, deputy managing directors, executive directors, managers or other officers of such company) or voting or providing for the payment of remuneration to the director, managing director, joint managing director, deputy managing director, executive director, manager or other officers of such other company and any Director may vote in favour of the exercise of such voting rights in manner aforesaid notwithstanding that he may be, or about to be, appointed a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer of such a company, and that as such he is or may become interested in the exercise of such voting rights in manner aforesaid.
98. Subject to the Act and to these Bye-laws, no Director or proposed or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatsoever, nor shall any such contract or any other contract or arrangement in

which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the Members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established provided that such Director shall disclose the nature of his interest in any contract or arrangement in which he is interested in accordance with Bye-law 99 herein.

99. 133. Subject to the Act, the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board. The Company in general meeting may also make a distribution to the Members out of any contributed surplus (as ascertained in accordance with the Act).
134. No dividend shall be paid or distribution made out of contributed surplus if to do so would render the Company unable to pay its liabilities as they become due or the realisable value of its assets would thereby become less than its liabilities.
135. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Bye law as paid up on the share; and
 - (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.
136. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.
137. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.
138. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.
139. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in

the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

140. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.
141. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or
 - (b) that the shareholders entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised (“the elected shares”) and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Bye-law shall rank pari passu in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Bye-law in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Bye-law shall rank for participation in such distribution, bonus or rights.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Bye-law, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Bye-law a dividend may be

satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Bye-law shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Bye-law shall mutatis mutandis apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

143. Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

144. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members

respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Bye-law, a share premium account and any reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid. In carrying sums to reserve and in applying the same the Board shall comply with the provisions of the Act.

- (2) Notwithstanding any provisions in these Bye-laws, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Bye-law and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Act:
- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the

subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the nominal value of a share, then the following provisions shall apply:

- (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Bye-law) maintain in accordance with the provisions of this Bye-law a reserve (the “Subscription Rights Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
- (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and

- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to

such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (2) Shares allotted pursuant to the provisions of this Bye-law shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Bye law, no fraction of any share shall be allotted on exercise of the subscription rights.
- (3) The provision of this Bye-law as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Bye-law without the sanction of a special resolution of such warrant holders or class of warrant holders.
- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
